April 17, 2023

Dear Provider,

As we continue our collaboration with the Association of Clinicians for the Underserved (ACU), we have another opportunity to share with you for a virtual suicide prevention training *at no cost*.

On July 11 at 2-3 p.m. ET, ACU is planning to offer a national Suicide Safer Care webinar intended to support newly practicing clinicians and clinicians in training with practical tools/tips for suicide prevention.

The registration link is now live:
