

## Termination of Comprehensive Cancer for Wellcare by Allwell Medicare Members effective June 17, 2024

March 28, 2024

Dear Providers,

SilverSummit Health Plan has made the difficult decision to terminate our Wellcare by Allwell (**Medicare**) contract with Comprehensive Cancer Center of Nevada (CCCN). This termination will become effective on June 17, 2024.

This termination has **no impact to the SilverSummit Health Plan Medicaid or Ambetter Exchange contracts**. CCCN will remain a contracted provider for these products.

To allow for continuity of care, CCCN will continue providing care for any existing Medicare members who are currently undergoing any active treatment such as medication therapy, radiation therapy or scheduled diagnostic testing.

**All new referrals should be sent to The Oncology Institute of Hope and Innovation (TOI). Referrals can be faxed or emailed to the following:**

**Fax: (562) 335-3465**

**Email: [larryrobinson@theoncologyinstitute.com](mailto:larryrobinson@theoncologyinstitute.com)**

To learn more about TOI please visit their website at <https://theoncologyinstitute.com>

If you have any questions related to our decision, please contact the contracting department at [networkmgmt@silversummithealthplan.com](mailto:networkmgmt@silversummithealthplan.com).

Thank you,

Chief Medical Officer, SilverSummit Healthplan
