

# SilverSummit Healthplan Notification of Cardiology Updates

SilverSummit Healthplan (SSHP) is pleased to announce we are partnering with Nevada Heart Center and Heart Center of Nevada as our preferred cardiology provider groups effective May 15, 2020. Please refer all members who need cardiology services to either of these groups. SSHP members who are being seen by another cardiologist group will be able to remain with their current cardiologist through November 2020. SSHP will assist in the transition process of any members after this date.
