Accessibility Information

Below is information used in the provider directory to indicate accessibility at a provider office or building site. This information is not a promise that every doctor will always have the access that you may need. If you have a disability, you should call the doctor's office to talk about your access needs.

Accessibility Requirements:

All Criteria Met: if the provider meets all (49) Critical Elements (CE) for disability access in four (4) main areas: Parking, Exterior Building, Interior Building, and Programmatic Access.

No Criteria Met: if provider reports having no disability access for all of the CEs.

Some Criteria Met: if the provider does not meet 1 or more of the CEs.

Details Pending: if there is no data to support any of the 4 main areas.
