

ATTENTION NEVADA RURAL HEALTHCARE PROVIDERS

\$27 Million in Grant Funding — Available for a Limited Time.

Nevada's Rural Health Transformation (RHT) Program offers funding to help rural providers strengthen health IT, improve care coordination, and advance value-based, patient-centered care. HealthIE Nevada is here to help you apply — at no cost.

PHASE 1 DEADLINE

RHIT Phase 1 applications are due July 6, 2026 — early engagement improves application quality and review readiness.

FREE RHT GRANT ASSISTANCE PROGRAM

HealthIE Nevada is offering a free RHT Grant Assistance Program to help eligible rural providers prepare and submit high-quality applications before the July 6, 2026 Phase 1 deadline. Our hands-on, no-fee support reduces staff burden during a short application window — so you can focus on care while we help you secure funding.

Potential funding includes **EHR vendor interface fees and more**, in alignment with NV RHIT goals of "secure data sharing," "interoperability," and "health information exchange services."

\$27M

in available RHT grant funding

Phase 1 Deadline
July 6, 2026

✓ Who Is Eligible?

Eligibility generally includes **rural physician practices, FQHCs, hospitals**, and other qualifying rural providers under Nevada's RHT Notice of Funding Opportunities. Contact HealthIE Nevada for a free eligibility assessment.

How HealthIE Nevada Helps (At No Cost)

- Eligibility assessment and funding track alignment
- Project scoping aligned to RHT priorities
- Application narrative support and templates
- Work plan and budget guidance
- Coordination with required attachments

Why Partner with HealthIE Nevada?

- No cost for our assistance to help you apply for the grant
- Reduced staff burden during a short application window
- Potential funding of **EHR vendor interface fees** and more, aligned with RHT goals
- HealthIE Nevada connects physicians, hospitals, and healthcare organizations statewide, supporting **secure health information exchange**
