Pharmacy Program

SilverSummit Healthplan pays for prescription drugs and some over-the-counter medicines. Your doctor must write a prescription. Not all drugs are covered. Some drugs need prior authorization. Some drugs have limits on age, dose, or quantity.

You can get help by:

- Calling SilverSummit Healthplan Member Services at 1-844-366-2880
- Using the Drug Lookup Tool

Pharmacy Benefit Manager

SilverSummit Healthplan works with Express Scripts, Inc. to process pharmacy claims. Express Scripts is our Pharmacy Benefit Manager.

Prior Authorizations (PA)

Some drugs on the Preferred Drug List need prior authorization (PA). Your doctor can send the PA request through Cover My Meds (www.covermymeds.com) or by fax to 1-833-645-2736.

SilverSummit Healthplan will cover the medicine if:

- You need the drug for medical reasons
- Other drugs on the PDL didn't work
- The drug is not a benefit exclusion

PA requests are reviewed by a licensed pharmacist within 24 hours. If approved, your doctor is sent a fax. If the PA is denied, a fax will be sent to your doctor. You will receive a letter from us with the list of medicines that are covered. The letter will also tell you about the appeal process.

Transition Period

New members can get most prescription drugs without PA for 2 fills (up to 68 days) in the first 90 days. Controlled drugs have a 30-day limit. This will give you and your doctor time to switch to drugs on the Preferred Drug List or request a prior authorization.

96-Hour Emergency Supply Policy

State and Federal Law allows a pharmacy to give up to 4 days of medicine if you are waiting for a PA. Pharmacies will be paid for the 4 day supply even if the PA is not approved. Controlled drugs are not included. The pharmacy must call 1-866-399-0928 for approval.

Step Therapy

In Step Therapy, for some drugs to be covered, you may need to try another drug first. If you have already tried it, the drug will be covered. If not, your doctor must send a PA. If the PA is not approved, a fax will be sent to your doctor. You will receive a letter from us with the list of medicines that are covered. The letter will also tell you about the appeal process.

Dispensing Limits

The pharmacy can give you:

- Up to 34 days per new prescription or refill
- Up to 100 days per maintenance medicine
- 80% of the medicine supply or 25 days must pass before the medicine can be refilled
- 90% for controlled drugs, and you may need a new prescription for some controlled medicines

Quantity Limits

Some drugs have limits on how much medicine you can get at one time. Your doctor can request PA if needed. If not, your doctor must send a PA. If the PA is not approved, a fax will be sent to your doctor. You will receive a letter from us with the list of medicines that are covered. The letter will also tell you about the appeal process.

Age Limit

Some medicines on the Preferred Drug List have age limits. These limits are based on Food and Drug Administration rules to keep you safe. If your doctor decides you still need the medicine, they can send a PA request to Pharmacy Services. If the PA is not approved, a fax will be sent to your doctor. You will receive a letter from us with the list of medicines that are covered. The letter will also tell you about the appeal process.

Medical Necessity Requests

If a drug is not on the Preferred Drug List (PDL), your doctor can make a medical necessity PA with notes showing:

- You tried 2 PDL drugs in the same class and used for the same diagnosis
- You can't take PDL drugs due to allergy or other reasons
- You can't take any of the PDL agents for your diagnosis

All requests are checked by a licensed clinical pharmacist. Most reviews are finished within 24 hours unless more information is needed. The pharmacist follows rules from the Pharmacy & Therapeutics Committee. If your request is approved, a fax will be sent to your doctor. If the PA is not approved, a fax will be sent to your doctor. You will receive a letter from us with the list of medicines that are covered. The letter will also tell you about the appeal process.

Appropriate Use and Safety Edits

Your safety is very important to us. One way we help keep you safe is by using point-of-sale edits when the pharmacy sends your medicine claim. These edits follow Food and Drug Administration rules. For example, you can only get one drug from the same therapy group each month.

Generic Drugs

Generic drugs have the same active ingredient and work the same as brand-name drugs. If you or your doctor decide you need a brand-name drug that is not preferred, your doctor can request a PA. We will cover the brand-name drug if there is a medical reason you need it. If the PA is not approved, a fax will be sent to your doctor. And you will get a letter with a list of generic medicines that are covered. The letter will tell you about the appeal process.

Over-the-Counter Medicines

Some over-the-counter drugs are covered if your doctor writes a prescription. These drugs are listed in the Preferred Drug List.

Filling a Prescription

You can get your medicine at an in-network pharmacy. To find one, call SilverSummit Healthplan Member Services or use the Provider Lookup tool on our website. Bring your prescription and your SilverSummit ID card to the pharmacy. The pharmacy may also ask for another ID, like a driver's license or state ID.

Maintenance Medications

Some drugs are called maintenance medications because they treat long-term health problems. If your medicine is part of the Maintenance Drug List, you can get up to a 100-day supply at certain retail pharmacies.

Exclusions

Below you will find a list of things that are not part of the PDL. The 96-hour emergency supply policy does not cover these drugs either.

- Drugs that are experimental drugs without federal rebates
- Drug Efficacy Study and Implementation (DESI) drugs
- Drugs prescribed for anorexia, weight loss or weight gain
- Drugs prescribed for infertility
- Drugs prescribed for erectile dysfunction
- Drugs prescribed for cosmetic purposes or hair growth
- Bulk powders

Drug Efficacy Study and Implementation Drugs

Drug Efficacy Study and Implementation (DESI) drugs are said to be less effective by the Food and Drug Administration. DESI products are not covered by SilverSummit Healthplan.

Medical Benefits

Some drugs and medical services are part of SilverSummit Healthplan's medical benefit and are not covered at retail pharmacies:

- Injectable drugs given at a doctor's office or outpatient clinic
- Home health products and home infusion therapy, like:
    - Durable medical equipment
    - Nebulizers and tubing
    - Blood pressure monitors
    - Enteral and parenteral nutrition
    - Injectable antibiotic therapy
    - Chemotherapy
    - Other medical supplies

If a prescriber asks Pharmacy Services for a medical prior authorization, they will be told to contact SilverSummit Healthplan directly.

Newly Approved Products

New drugs are reviewed before they are added to the Preferred Drug List. These medicines will need a PA until they are added to the Preferred Drug List. If it is not approved, Pharmacy Services will send a letter to you and a fax to your doctor. The letter will have a list of other similar medicines that are covered. It will also tell you about the appeal process.
